
Opening Ceremony of the Exhibition Emperor Charles IV 1316—2016

Saturday, 14 May 2016, 7 pm
Waldstein Riding School

The exhibition is organised by the National Gallery in Prague and the House of Bavarian History in collaboration with the Centre for the History and Culture of East Central Europe at Leipzig University. The exhibition *The Second Life of Charles IV*, installed in the Carolinum cloister, is a follow-up of this exhibition, thus forming one ideological unit.
