
Charles IV. Physical and Personality Traits

Prof. Emanuel Vlček, Prof. Jan Bartoníček
Karolinum Publishing House

An English translation of the remarkable publication *Fyzická charakteristika osobnosti Karla IV.* describes the life of Charles IV from the perspective of the anthropological and medical research of his remains which were examined and analysed by Professor Emanuel Vlček. Compiled by Professor Jan Bartoníček, the complemented edition of the book presents Charles IV to foreign readers from the view of his physical traits.
