# Medicine From Charles IV's Era Up to Now – exhibition

---

3 May — 31 May 2016  
*New Town Hall, Karlovo náměstí 1/23, Prague 2*

The exhibition focuses on the development of medicine and the Faculty of Medicine from Charles IV's era up to now. Visitors will be able to see historical medical books, a selection of medical instruments from the past, and photographs documenting the history of the First Faculty of Medicine of Charles University.
